

### **Notice of Public Hearing**

The City of Wood River is applying for a low-interest loan through the Illinois Environmental Protection Agency (IEPA) State Revolving Fund Loan Program for the State Street Sewer Separation project. The project consists of combined sewer separation, broken into four different phases with an estimated total cost of \$16,226,343. A portion of this project will also be funding by a United States Army Corps of Engineers grant. In compliance with the requirements of the IEPA, notice is hereby given that a PUBLIC HEARING will be held by the City of Wood River at the regular meeting place, Wood River City Hall, 111 North Wood River Avenue, Wood River, IL on Friday, March 19, 2021 at 2:00 pm to discuss the project and the Preliminary Environmental Impacts Determination (PEID) prepared by the IEPA. Following the PUBLIC HEARING, a 10-day comment period will be provided to submit written comments to the City or to the IEPA contact person listed below.

Bill Jankousky, Project Manager  
Bureau of Water, IFAS
